ARRIVALS!****Music on CD at the Ames Free Library
Amy's Picks for June 2010****Bob Dylan***Desire*

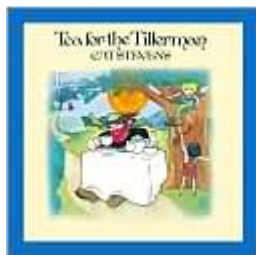

A gem in my CD collection that has almost been worn out it is so well loved! A classic mix of folk and rock, including the hit song "Hurricane", a ground breaking song at the time of it's release in 1975 because of it's controversial subject matter of a black boxer who was wrongly accused of murdering three white people in New Jersey in 1966.

My favorite track on the album is "Romance in Durango", a perfect summertime song. [RESERVE](#)

Led Zeppelin*Houses of the Holy*

In my opinion, this is one of the best **Led Zeppelin** albums of all time! Every song is a favorite of mine; it's hard to pick just one! A mix of classic Zeppelin rock like "Over the Hills and Far Away" and melodies like "The Rain Song" are sure to please any fan. This is a great warm weather album.

Cat Stevens (a.k.a. Yusuf Islam)*Tea for the Tillerman*

A great mellow record for the laid back days of summer. *Tea for the Tillerman* is quintessential **Cat Stevens** with songs like "Where do the Children play?", "Hard Headed Woman", and "Father and Son." Grab a glass of lemonade and head outside to listen and relax.
